Commissioner for Patents
United States Patent and Trademark Office
Washington, D.C. 20231

Attn: Customer Service Center
Initial Patent Examination Division

Sir:

Prior to examination of the above-identified application, it is respectfully requested that the following amendments be made to the application.

IN THE CLAIMS

Please replace original claim pages 516-583 with amended claim pages 513-584. (Appendix A, which is enclosed herewith, shows how original claim pages 516-583 were amended to produce amended claim pages 513-584.)

IN THE ABSTRACT

Please replace original Abstract page 584 with amended Abstract page 585. (Appendix B, which is enclosed herewith, shows how the original Abstract page 584 was amended to produce amended Abstract page 585.)

Preliminary Amendment
August 27, 2001

EL915796364US

REMARKS

This Preliminary Amendment amends the claims only to assist the reader. The Amendment is not made for purposes of patentability. The Amendment is made without prejudice to applicants's right to correct or withdraw the amendments and to file divisional and continuation applications as to any material that has been deleted.

Respectfully submitted,

Mavis S. Gallenson
